RICHMOND COUNTY JOTTINGS.

A crescent is only part of a moon,

Yet while it shines there is no gloom; It casts pleasant brightness from its place,
And when it goes we miss its face.

It has a residence, and can be found,
Not like fragments gathered 'round—Now here and there under any name,
Always at the old stand, always at the same.

It begs nor hires foreign light,
But shines the same by its own might.
If of nine pieces they make but one
They are the same until the end does come.
So let us have a crescent next year,
They will meet Maryland and Virginia;
never lear,

never fear, But let it be then fully understoo All must wear the true name on their hoo Not call themselves this or that team, He what they are, not what they seem. Schools will soon open and the young idea will be on the war path

is proposed be put up there will be need to hustle to put Brother Lyell back in the place he has so ably filled.

Tomato crop is short on the first estimate, and if present appearances are correct the output on the Potomac and Rappahannock rivers will be at least 150,000 cases short of calculations. Present indications are calculations. Present indications are that the fruit will bring \$1 a

dozen cans. Corn shows up well and promises to make good the short-age of wheat. Labor is scarce and the colored brother who has stayed with us is mainly of the class who won't work here, can't get away, and is worth nothing here or away whether he

All hands are straining their eyes looking for the new line of steamboats, and when the line does start we are all going to spend our surplus cash in riding up and down the river on the new boats. We are all at sea as to who shall be our next President, but many still think we would not have so far to

part of the journey.

Roosevelt will have a hard time

of certain precautions in business matte details, and have ready money to cover delays involved, as well as to continue operations.

Mr. Brinkley could always command money needed to tide him over emergencies; but for his estate to do such a thing is entirely a dif-

his estate to do such a thing is entirely a different proposition.

Mr. Brinkley was always active in business
and seldom had a large balance in bank. He
kept his money at work. As a consequence,
when atticken down by death, business losses
would almost certainly have ensued had he
not foresen such difficultities and as a prudent
business man prepared for them several years
ago by taking out a pollega of his insurance in
the Phonix Mutual of Hartford. The money
received from The Phonix in payment of this
policy was, as Mr. Brinkley foresaw, worth
several times the amount to his family in the
protection which it afforded its various
interests.

Upon receipt of request we will send pam-phlet describing Phoenix policies. BEN. M. RAWLINGS, State Manager.
